

A detailed diagram of a custom foot orthosis, which is a dark blue, molded shoe insert. It features several adjustable straps and a heel cup. Numbered callouts identify the following components: 1. Medial arch support, 2. Heel cup, 3. Heel pad, 4. Forefoot support, 5. Adjustable strap, and 6. Heel cup.

The diagram illustrates the dimensions and components of a prosthetic foot. On the left, a side view of the foot is shown with a vertical dimension line labeled 'C' indicating the height and a horizontal dimension line labeled 'A' indicating the length. A small circular component is labeled 'S'. On the right, a cross-sectional view of the foot is shown, with a horizontal arrow pointing left labeled 'A' and a vertical arrow pointing up labeled 'B', indicating the internal structure and dimensions.
